

## **Summit Nutritionals,**

The Marc Castellano Foundation would like to thank you for your generous donation. We are indeed grateful for your support which helps us assist law enforcement officers in need.

Your donation has helped us with the coordination of The Marc Castellano Foundation Turkey Trot.

The event was a very successful fundraiser, and the money raised will be brought to good use for law enforcement families in need, student scholarships, the move over law, and to help fallen Troopers. For example, the Marc Castellano Foundation has recently donated to a Trooper and his family who are going through a tough time, as they care for their young daughter who had just been treated and diagnosed for a brain tumor. Also, the Marc Castellano Foundation has recently donated to the J.J Watt Foundation to support Hurricane Harvey damage.

Again, we thank you for your generous donation and enthusiastic support towards our foundation. Because of you we can continue to host fundraising events to bring the community, students, and law enforcement together. We wish you a safe and happy holiday season.

**Sincerely,**  
**The Marc Castellano Foundation**
